Get your jaws feels with all kinds of exotic delicacies and victims.Kill or be killed in this dangerous waterIn the dangerous water from the deep ocean, things can be quite dangerous and harsh. Plus, the tilt controls have returned thanks to the public requests.Free to playThe game is currently free to play for all Android users to enjoy. Find out everything you need to know about this amazing game with our reviews.StoryHungry Shark World comes with a relatively similar story to its predecessor. Level up your sharks to obtain better jaw power, swim faster, as well as having a larger stomach and mouth to swallow even larger preys.In fact, you can equip incredible accessories on your sharks to make them more capable. Be the biggest and badest predator of the ocean and make everything your prey. Turn on the Rush and have your shark flying in the ocean floor with extreme speed. TheyeAAre always extremely hungry and would tap on everything in their way, as long as theyeAAre not larger than them.Your main goal in the game is to collect and evolve different species of sharks to make them more capable in this vast ocean. Pick your favorite sharks and leteAAAs find something to eat in this latest game from Ubisoft Entertainment. With enhanced graphics, sounds, and gameplay, there is no reason why you shouldneAAAt have it installed on your devices. That being said, you can even put on it a freakineAAAJetpack and send your Shark bursting in the water and flying off the sea surfaces.Enjoy epic missions and go against badass bossesIn Hungry Shark World, players will be introduced to a vast single-player campaign where youeAAAl take on many epic challenges in maniac missions.
